Vision

We desire to become one of the best Commerce Colleges of the country with the aim to impart value-creating education so as to tap the innate potential of every learner. Our students and teachers must shine in society as role models of honesty, integrity, civilized discourse and behaviour. We see in them persons who are unfazed in the event of prosperity or on being challenged. The College will be a model institution of harmony, friendship and integration and will produce better citizens of the Country.

Mission

We intend to make our students and teachers responsible citizens, who will work for the betterment of our Motherland and yet appreciate a global outlook throughout their lives. We hope to instil in them a scientific spirit of inquiry and a value system that will make them understand the power of ideas and argument and that of continuous learning.

Motto

To Strive, To Seek, To Learn and not To Yield

Let's break it down:

To Strive refers to the act of engaging with meaning or getting involved in one's life to ensure a better living.

To Seek refers to the desire to obtain or achieve something worthwhile in life. It is the act of seeking something that would enrich our lives and give us joy and satisfaction.

To Learn refers to the act of acquiring knowledge or expertise by understanding facts or ideas. Learning is a continuous process which helps to gain new experiences and handle a wide range of challenges with clarity and confidence.

And Not to Yield denotes our ability of not to give-up, but to keep going or move forward despite the challenges and adversities of life.

Words from the Principal.....

K. C. Das Commerce College is one of the premier learning centres catering to tertiary education in Commerce and other allied disciplines, not only in Assam but also in North East India as well. The College offers programmes like Higher Secondary at the 10+2 level, B.Com., B.B.A., B.C.A., B.A. with Economics Honours, B.Sc. (Regular) with Economics-Mathematics-Statistics combination at UG level and PGDCA and M.Com at PG level. As on today, the College attracts students from all across the North East as well as other parts of India.

In its 38 years of existence, K. C. Das Commerce College has been able to carve out a respectable forte for itself, by virtue of dedicated and persistent hard work of all the stakeholders, particularly the teachers. Our students have been our ambassadors and they are disseminating our success stories in various spheres of the society, both within and across borders.

Education in K. C. Das Commerce College is not only restricted to classrooms and the prescribed curriculum. Our endeavour is to facilitate the students with an environment that enables them to identify their latent talents. The College has a Department of Value-Added Education which offers various Certificate Courses and Counselling Sessions for professional courses like CA and CS. Certificate Courses are offered online and are not restricted to students of the College itself. In fact, our self-developed online infrastructure caters to teaching, learning and evaluation as well.

During normal times, besides the regular co-curricular activities, outreach activities are also undertaken. In co-curricular activities, students have shown excellence not only at the regional level but also at international level too. Academically, students are exposed to different modes of learning through industrial exposures, field works, guest lectures, seminars, skill-based workshops, webinars and interaction with entrepreneurs and experts from the corporate world. Our Career Counselling Unit strives hard to take care of the needs of interested students.

Swami Vivekananda said, “We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet.” We at K. C. Das Commerce College, aim to create and shape intellectually sharp, socially responsive and robust individuals who would contribute towards development of the nation, even in the most challenging scenario. Our motto is 'To Strive, To Seek, To Learn and not To Yield'. I invite all the bright minds to explore the scope that our College can offer. We also pledge to work hand in hand with you too. You will be provided with the best possible learning infrastructure be it in the classroom or the laboratories or the library. As quoted by American writer, Anthony J. D'Angelo, you must 'Develop a passion for learning. If you do so, you will never cease to grow'. Seeing you reach your goals is our ultimate objective.

Our dream is to develop K. C. Das Commerce College into a nationally renowned institution of knowledge and excellence in the field of commerce and other allied education. We are determined to achieve our goals and I welcome you to be a part of our TEAM.

With best wishes,

Dr. Hrishikesh Baruah, M.Sc., Ph.D.

Principal

The College...

Established on the 7th Day of November 1983, K. C. Das Commerce College began its humble origin as an evening College at Sonaram H.S. & Multipurpose School at Bharalumukh, Guwahati. Subsequently, on 30th November 1994, the College shifted to its permanent campus at Chatribari where it is presently situated.

The College was started with the financial assistance provided by prominent industrialist, Late Sri Ramesh Chandra Chaudhury who agreed to a request made by a few well-known educationists and social workers like Prof. Tarini Kanta Baruah, Prof. Dhirendranath Kalita, Prof. Bhupen Deka and Mrs. Minati Chaudhury to support the Institution. The College has been named in the cherished memory of his father, Late Keshab Chandra Das, an educationist of repute during the British era.

Today, the College offers programmes like Higher Secondary, B. Com., B.A with Economics Major, B.Sc. with Economics -Statistics - Mathematics combination, BBA, BCA, M.Com., and PGDCA. The College also has a Value-Added Education Department which offers various Certificate Courses and Counselling Sessions for professional courses like CA and CS. Presently, the College has thirteen departments and imparts learning to approximately three thousand students with an efficient and dedicated teaching staff.

Education in K. C. Das Commerce College is not simply restricted to classrooms and the prescribed curriculum. Our endeavour is to facilitate the students with an environment that helps them to identify their latent talents and develop their inherent abilities. The College has a very vibrant Career Guidance and Placement Cell to take care of the needs of the students and is associated with Assam Skill Development Mission of the Government of Assam, JACEEX (Japanese Centre of Excellence) and Institute of Company Secretaries of India (ICSI). The Internal Quality Assurance Cell (IQAC) which was established on 16th June, 2003 initiates, plans and supervises various activities which are necessary to ensure a quality culture at the institutional level. On 17th October, 2006 the College was assessed by the National Assessment and Accreditation Council (NAAC) and was accredited B+ grade. The College has again initiated the process of reaccreditation.

Our institution has traversed quite a long distance and amidst various ups and downs. The performance of our students at Higher Secondary and Degree Level has shown remarkable improvement. Since 2008, our students have occupied top positions every year. The pass percentage which usually stands above 90 is always above University pass percentage. We remain deeply committed in our endeavour to establish ourselves as one of the foremost institutions dedicated to commerce education in the country.

We have an active and responsible Alumni Association. The College takes pride in its alumni, many of whom are serving our nation by holding responsible positions in various fields all over the country and abroad.

In its **38 years** of existence, K. C. Das Commerce College has been able to carve out a respectable niche for itself by virtue of the relentless hard work of all the stakeholders. Today, we attract students from not only the North East, but from other parts of India and neighbouring countries as well.

CAMPUS LIFE

STUDENTS' UNION

The Students' Union acts as an umbrella body for all the clubs and committees on campus and ensures their smooth functioning at each juncture. Apart from being the link between the students and the management, the Students' Union is responsible for the brand enhancement of the campus and constantly strives towards making the experience of the students on campus comfortable and enriching. The Students' Union provides powerful leadership and learning opportunities. It serves as the voice for an entire student body and actively works with teachers and advisors to promote a better learning environment.

STUDENTS' GRIEVANCE AND REDRESSAL CELL

The function of the Students' Grievance and Redressal Cell is to look into the complaints lodged by any student of the College and judge its merit. Anyone with a genuine grievance may approach the cell in person or in consultation with the office bearers of the Students' Union. In case the person is unwilling to appear in self, grievances may be dropped in writing at the link given in the website. Grievances may also be sent through e-mail to the member/Officer in-Charge of Students' Grievance Cell.

This cell functions with the objective of:

- Ensuring a democratic environment in the campus
- Solving the various personal and educational related grievances of the teacher-trainee
- Acquainting all teachers and students about their rights and duties
- Making the institute student friendly

Please further details, visit www.kdcollege.ac.in

ANTI-RAGGING CELL

The College has a vigilant cell against instances of ragging. The cell takes measures to repeatedly remind students of the consequences of ragging and ensures that parents and new students are made aware of their rights. The Anti -Ragging Cell has been constituted to prevent ragging and to take anti-ragging measures as per the guidelines issued by the Supreme Court of India and UGC.

Please further details visit www.kdcollege.ac.in

CAREER GUIDANCE AND PLACEMENT CELL

The Career Guidance and Placement Cell (CGPC) of the College functions with the objective of guiding and assisting the students to achieve their career goals. It provides awareness on higher studies, self-employment and job opportunities. The Cell takes adequate steps in identifying the current demands of the industry and prepares students towards this need. Adequate emphasis is given to soft skill development complementing the regular academic

performance. The Career Guidance and Placement Cell of our College play a vital role in shaping the careers of our students. Our College attracts some of the best names in the industry who is aware of the quality of human resource that we create.

A fulltime Placement Officer is assisted by the team and student coordinators work in tandem with the faculties to help our students develop their productivity and employability.

Functions of the Career Guidance and Placement Cell

- Sustained training for placements and competitive examinations
- Knowledge building sessions
- Training in basic communication skills
- Training in group discussions and interview skills
- Aptitude Test training
- Career Guidance sessions with industry experts informing students about various choices regarding their careers.
- Campus recruitment by leading companies offering challenging job profiles.

MENTORING PROGRAMME

The mentor-mentee relationship can be an invaluable one for the parties, the mentor as well as the mentee. The mentor's role is to teach, guide and help to shape the professional growth and learning of the mentee and to serve as a positive role model. The mentee's role is to seek guidance and constructive feedback on his/ her academic pursuits and professional development and career goals. However, to make the relationship grow, each party needs to understand the role they play.

The goal of K. C. Das Commerce College in this regard is to create a vibrant teaching-learning and self exploring environment where the students can understand and access their own potential.

The newly admitted students are grouped and allotted respective mentors for their entire stint in the College. The details of allotment are available in the website of the College.

RESEARCH AND DEVELOPMENT CELL

Promotion of research and research-based activities amongst the faculty is a key strategy of the College. The Research and Development Cell of the College has been set up with an objective to assist Communities and Societies at large with regard to various socio-economic aspects.

START - UP AND INNOVATION CELL

Innovations have a strong linkage to the world of start-up. The foremost purpose of the Cell is to encourage, inspire and nurture young students through a supportive environment that helps them to establish their business ideas and develop their concepts into market ready products.

It also aims to:

- Conduct various innovation and entrepreneurship related activities, identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.

COLLEGE EVENTS

The College is additionally involved in the following allied activities:

INFRASTRUCTURE AND FACILITIES

LIBRARY

A library is the heart of an educational institution and the library of K. C. Das Commerce College is no exception. It is the hub of academic activities of the College: a trinity of the library staff, reading materials and the readers.

Our Library is one of the best College libraries in Assam in providing efficient service to the readers. It is spacious with a reading room which has a seat capacity for about 100 readers. The Library has a collection of over twenty five thousand books in different subjects. Latest publications are continuously added to the existing collection to equip students with a wide range of academic material. The College Library provides user services through computers; it is equipped with SOUL 2.0 Library Management Software, besides bar-coding and Internet facility.

The Library has access to e-resources through the “National Library and Information Services Infrastructure for Scholarly Content” (N-List). It also subscribes various journals of national repute and a number of prominent national and regional dailies. The Library “Book Bank” facility caters to the needs of the economically underprivileged students of the society.

The Library is expanding its access to electronic and digital resources through Digital Library (DL) and Institutional Repositories (IR). It also offers the “BEST READER AWARD” to the student who makes the best use of the library with an aim to inculcate the reading habit among the students.

The various services offered by the library includes Circulation, Reading Room service, Periodical’s supply, Reprographic service, OPAC, Newspapers Indexing, Book Bank services for the economically backward students, Internet service, E- Resource service, Current Awareness service, Institutional Repository, Social media inputs.

DIGITAL CLASS ROOMS

The College has Digital Class Room facility for conducting different academic activities. Classrooms are equipped with digital teaching aids including PCs, overhead projector and audio system.

COMMERCE LAB

Commerce Lab of K. C. Das Commerce College was inaugurated on 29th October 2018 by Prof. Prasantha Athma, Head and Dean, Department of Commerce, Osmania University, Hyderabad.

Keeping pace with industrial growth and need, it has become a necessity for a commerce student to gain practical exposure of the processes, procedures and practices followed in the business world along with theoretical insights.

THE COLLEGE APP

The College App enables the students to procure information related to their curriculum, examination, assignments etc. and about the latest news and events too.

K C Das Commerce College Application is a native android application built exclusively for android platform using Android Studio. The App is solely based on Faculty-Student Model. It focuses on circulation of resource materials, assignments and notices. It follows a very simple and effective design to allow users to interact with the system even to a layman.

***** It is mandatory for the students to install the App and keep it handy. For assistance contact: Mr. Tony Bayan (Dept. of BCA)/ Mr. Apurba Haloi (Dept. of IT)***
