Today, more than 3200 students from various States of the Country contribute to an assimilative and creative environment thereby adding vibrancy to this learning centre. K. C. Das Commerce College offers programs like, H.S., B.Com., BBA, BCA, B.A. (Economics), M.Com., PGDCA and IGNOU Programs. In addition, it provides various Certificate Courses through the institutional Department of Value-Added Education with a focus on skill development and employability enhancement. The College is a recognized Skill Hub under PMKVY 4.0 (Pradhan Mantri Kaushal Vikas Yojana) further strengthening its commitment to vocational training. Recently the college got selected for the prestigious PM-USHA (Pradhan Mantri Uchchar Shiksha Abhiyan) Grants of the Government of India too.

## ABOUT THE SEMINAR

Viksit Bharat – "Developed India" is a current government's roadmap to make India a completely developed nation by 2047, aiming to transform the developing country into a developed nation. This initiative is designed on the idea of inclusivity and sustainability concept. To empower future leaders, fostering national development, encouraging innovation and entrepreneurship for the country's growth and development. Thereby, a national seminar on 'Viksit Bharat' is very much relevant and the need at this present time. It is much important for the present generation to understand the vision for India's future by adopting a proactive and inclusive approach to development, demographic dividend, promote sustainable growth and ensuring the benefits of development reaching all the sections of the society. Also, it's focus is on eradicating poverty and inequality, promoting economic growth and job creation enabling India to become a major player in the global economy. The initiative is also motivated by a

desire to improve the standard of living for all the Indians, ensuring that every citizen has access to basic amenities and opportunities for growth and development. The seminar will be an initiative to provide a right platform among the scholars and experts to bring limelight to the ambitious 'Viksit Bharat' that aims to lead India as a developed nation by 2047 in terms of sustainable inclusive growth by encompassing various developmental aspects such as economic growth, environmental sustainability, social progress along with good governance. The seminar will also try to focus on sharing of opinions by intellectuals from both academic and non-academic departments on pros and cons of these initiatives that will help in framing effective executions of policies and progress.
