SUBJECT- ENTREPRENEURSHIP IN THE REAL WORLD

The Primary Objective of the Presentation which was held on 29th of November 2021, was to give greater knowledge and understanding of how Successful Entrepreneurs operate in the Real world. Through this Presentation the following sections were put forward-

- a) Entrepreneurs Behavior Orientation, Principles and Values.
- b) How we can Generate new and innovative Ideas to solve Real Problems of the World.
- c) How to formulate a Business Process and create a prototype.
- d) Success Stories of Innovative Entrepreneurs

Through this presentation we tried to motivate the students to take entrepreneurship as a career option and acknowledge the value of the subject. A total of 75 students were present during the presentation. We look forward to do more of such presentations on different subjects for the benefit of the students.
