10. Outcome of the Event : On 16th September 2025, the Department of Economics in collaboration with Eco-Club had organised a one-day Awareness Program on the International Day for the Preservation of the Ozone Layer based on United Nations SDG's Goal-13 "Climate Action". The objective of the program was to create awareness among students, about the importance of the ozone layer, the causes & consequences of its depletion, and the need for collective climate action. The topics covered were:

1. Ozone layer depletion, causes, consequences and conservation efforts
2. The effects of ozone layer depletion on human health and environment.
3. The role of Montreal Protocol in protecting the Ozone Layer

4. Ozone layer recovery, challenges and opportunities.

Initially, faculties of the department briefed on the said topics which was followed by active students participation through slide presentations, group discussions, and brief speeches, highlighting different aspects of ozone layer depletion and measures for its protection. The program not only enriched their knowledge but also enhanced their presentation and communication skills, fostering a sense of responsibility towards environmental conservation.
