10. **Outcome of the Event :** On 24th September 2025, the Department of Economics in collaboration with Eco-Club observed the Global Uniting World Clean Up Day based on SDG's Goal 15 "Life on Land". The program aimed to create awareness among the students on the urgent need for responsible waste management and sustainable practices. The topics covered were:
 1. The impact of single-use plastics on the environment.
 2. Sustainable waste management practices.
 3. The impact of climate change on waste management.

Students actively engaged in the program through presentations, group discussions, and short talks, where they highlighted the harmful effects of plastic pollution, innovative ways of managing waste sustainably, and the challenges posed by climate change to waste disposal systems. The program not only broadened students' understanding of environmental challenges but also enhanced their critical thinking and communication skills. Most importantly, it develops a sense of collective responsibility to adopt eco-friendly habits and contribute towards building a cleaner and greener planet.
